### Reading Class Set in Gardena

A class in remedial reading at Gardena Adult School will be offered on Tuesday and Thursday evenings from 7 to 9.

This is an individualized course, designed to assist adults with reading difficulties to develop and improve their reading skills and comprehension. The class is presented by John Bailey, reading instructor for Los Angeles City Schools.

Registration for this class is possible at Gardena Adult School office, 182nd St. at Normandie Ave.

Use classified, DA 5-1515

Each spacious one and two-bedroom apartment will maintain its own residence identity with individual patios and lanai in addition to the central garden courtyards. Particular attention has been taken to insure soundproofing and personal conveniences, as would normally be found in a private home.

The popular "own your own" residence apartment plan has been receiving enthusiastic support from home owners who are searching for freedom from the responsibility of home ownership, overburdening taxes and upkeep. Maximum leisure time is made available because maintenance is included in the low monthly charges.

As in the purchase of a home, buyers will receive a grant deed and policy of title insurance for each apartment home. Excellent financing and a home trading plan will be made available to purchasers. Prices commence at \$14,495. A small deposit will hold any residence apartment until completion.

Raymond T. Burns and Associates will handle the sales campaign on Pacifica as well as the Campesina, another George Blair and Associates cooperative development in the Palos Verdes Estates Plaza. For information concerning these cooperative "Own Your Own" residence apartments call FR 2-1917.
